I'll now invite anyone who is interested to join a subcommittee and have a positive input into GOSPYA as well as having a fun time. You don't have to be part of the GOSPYA committee nor do you have to attend any meetings. It's a great way to make new friends and a great way for GOSPYA's members to have a say in the way their Youth Group is heading.

I now turn to our Annual Major Function - The Debutante Ball. Girls and Guys, I know you've all "dreamed" of being part of a Debutante Ball and here's your opportunity. Plans and organising has started for a night that will be bigger and better than any other year. Boy do we have a spectacular evening planned ahead. Should you wish to be a part of the

evening - whether as a Deb partner or help with preparation, please do not hesitate to chat with either:

Socially, this year will be HUGE, with new and exciting venues. Your social committee is already hard working and planning some hot functions at hot venues. Look out for the next function in your GOSPYA news.

We again are looking forward to another prosperous year ahead working together with the other youth Groups and GOSPYA Senior Committee. The 1990-91 GOSPYA committee is committed to satisfying your needs.

I also like to ^athank on behalf of the committee, the Cypriot Youth for their organisation and hard work in setting up the volleyball competition played last month.

Congratulations to GOSPYA A: Spiro Conomos, Harry Georges, Emmanuel Samios, Con Cayas, John Sophios and George Samios.

Congratulations also to Peloponnes Girls who won against the Cypriot Girls in the Grand final. Great Game Girls

Congratulations also to all the other teams who didn't make it to the Grand Final, esp. GOSPYA B Guys and GOSPYA Girls. The competition was great but I think the fun that was had by all was more rewarding and GOSPYA looks forward to meeting the Youth Groups again in a friendly starting competition.

Thanks also to the spectators who braved the wind and cold to stay and watch (even until 12.30 am) some fantastic volleyball.

Finally, I invite you all to the GOSP Centre on Sunday 15 April for the Easter Dance. Why be squashed and shoved elsewhere, when you can dance on a large dance floor or sit outside in a cafeteria style atmosphere at the Southside Easter Dance? Get a group booking organised and give me a ring.

SPORTS REPORT

PETER DELIBALTAS

Sport features very highly on this year's Committee priorities, and keeping with this I would also like to point out that GOSPYA is always willing to consider any sporting ventures initiated by its members. Please keep in mind that our role is to serve the members of GOSPYA, that is what the Committee is here for.

For those who know little or nothing about GOSPYA's sporting representation, here is a brief overview of the sports which GOSPYANS interact. The broad range of sports in which GOSPYA has been a part of include Soccer, Netball, Basketball, Volleyball, Tennis, Cricket and Football. Of course these sports are not always represented every year. It is, however, good to see the healthy participation of GOSPYANS in a vast range of sports.

If any members are interested in forming a sporting team and would like it to be a recognized GOSPYA sporting team, we would appreciate hearing from you. As sports involves many GOSPYANS it is

Apart from those actually participating in sport, GOSPYA also wishes to motivate attendance at sporting events. All spectators are welcome at GOSPYAN sporting fixtures. To help we will be printing the respective draws for each sporting team and the location of the games.

I hope that this year's policy is recognized by all, in an effort to keep our sporting teams alive and our members content. Below is a run down on certain sports which feature highly on GOSPYAS sporting calender at the moment.

VOLLEYBALL: This sport has been operating for some time in GOSPYAS calender. Each Monday night at Mansfield High School, an array of GOSPYANS turn up to participate in volleyball, or talk, with a fun atmosphere in mind. Due to mid-semester exams the numbers have dropped slightly, however, I am sure that the numbers will return to normal once exams and Easter pass. All are welcome.

GOSPYA also recently competed in the annual Volleyball Competition held by Cypriot Youth. With two mens teams and one womens team entered GOSPYA was confident of a victory. Our first mens team took out the mens competition, our women however did not manage to secure the womens competition. All participants gave their best and we congratulate all for an effort well done.

BASKETBALL: Basketball has unfortunately lost the Mens 7 team due to player inability. However, to make up for this, GOSPYA has entered a team in a new competition at Carina/GE II, to be played on Tuesday nights. This means that GOSPYA will be playing Basketball on both Sunday and Tuesday nights.

All spectators are welcome and we supply a draw of times for those interested below (for Carina/GE II).

Fellowship Report

Greetings, fellow GOSPYPians (Greek Orthodox Southside Parish Youth). Our names are Leah Kypriadakis, Eleni Mihalitsis and Stauros Kazoullis, and we would like to tell you about what your Parish can do for you (and what you can do for your Parish) in 1990.

We believe that, as the acronym GOSPYP states, being part of the Greek Orthodox Faith should be of paramount importance in our lives. We also believe that GOSP Fellowship provides a way by which youth is able to do this. It is our generation's responsibility to ensure that the next generation continues in the Greek Orthodox Faith and way of life. Our faith has survived wars, famine and oppression for 2000 years. It would be a crime to let apathy destroy it now.

Fellowship provides a place where one can meet others of similar background in a setting where one is able to discuss absolutely anything freely. People who come to fellowship genuinely enjoy themselves. It gives them a chance to unwind after a long week, and gives them a sense of participation.

This year's fellowship committee would like to develop this further and encourage even more to contribute and share. You can help develop yourself by attending the regular Friday night meetings every two weeks. These are held at 7:30 pm at the GOSP centre, and recommence on the 27th of April. Several special events are in the process of being organized. These promise to be different and exciting. Keep your eyes on this column in Gospian News for more details as the dates draw near.

We hope to see you at the next Fellowship meeting. In the meantime, Καλό Πάσχα. See you at church!

A BRIEF HISTORY

A steering committee was established in 1981 to help foster greater interaction between the various youth groups of Brisbane and Qld. It was decided that a State Youth Conference be held, and under the guidance of Paula Masselos who was then the Social Worker in the Greek Community of Brisbane, the first Youth Conference was held. Out of the first conference came the Youth Council as it is today. At present, there are seven youth groups from Brisbane represented on the Council, as well as affiliations with country youth groups, representing the majority of Greek Youth in Australia.

The Council's main aim is to create an awareness and understanding in our communities and to help bind the youth groups into a united body of associations for the benefit of the community and future generations of Greek Australians. Delegates should feel free to approach the Council with regards to any matter or problem they wish to discuss, dealing with their own situation or more widespread topics. The conference will be recorded, and any recommendations passed will be put forward at the next National Conference in 1991. This conference is open to all interested youth 15 and over.
